

*Verse 2*

**Em**                    **D/F#**        **G**  
I lay my life at    the foot of the cross  
**Em**                    **D/F#**                **G**  
I want to live    for Your glory  
**Em**                    **D/F#**                **G**  
And tell the world of Your sacrifice  
**Em**                    **D/F#** **G**                    **Am7**  
You paid the    price instead of me  
                  **C**  
Instead of me

*Chorus*

**G**            **D/F#**                    **Em**        **G**  
In this sweet surrender Lord You found me  
                  **C**            **D**                    **Em D/F# G**  
In this sweet release You set me free  
                  **C**            **D**                    **Em D/F# G**  
I'm alive because You died for me  
                  **C**                            **D**  
Now I live, 'cause You live

*Bridge*

**C**                    **D**                    **C**                    **D**  
So I surrender all, all to You, all to You (4x)

*Chorus*

**G**            **D/F#**                    **Em**        **G**  
In this sweet surrender Lord You found me  
                  **C**            **D**                    **Em D/F# G**  
In this sweet release You set me free  
                  **C**            **D**                    **Em D/F# G**  
I'm alive because You died for me  
                  **C**                            **D**  
Now I live, for the One who set me  
  
**C**        **D**                    **G**        **D/F#**  
Free...    You set me free...  
                  **Em**        **D/F# G**  
You set me free...
